

“Because the sentence against an evil work is not executed speedily, therefore, the heart of the sons of man is fully set in them to do evil.” Ecclesiastes 8:11

Practical wisdom speaks to every aspect of life. It is not just for Sunday morning or religious activities. The mind of the Lord will enlighten relationships and social issues, financial schemes and domestic conflict. This statement may seem self evident, but as society drifts further and further from the truth of God’s Word, practical “horse-sense” is too often lost along the way!

Currently our society has lost its center. By casting off the moorings of our Founding Fathers, and declaring ourselves intellectually and socially above their eighteenth century simplicity and morality, not to mention our current social and cultural hatred of Christianity, we have lost working truths that bring order and peace to any civilization!

The fruit of Humanism cries out, “Defend the wicked at the expense of the victim. “Punish the innocent and hard working to pay for the thief and lazy.” Today’s courts endeavor and work over time to turn things upside down – calling evil good and good evil! We give terrorist rights as if they were rightful citizens! We defend and propagate deviate behaviour under the guise of civil rights!

Some thing is terribly, terribly wrong!

Whether unruly children, malevolent hardened criminals or even an enemy terrorist, discipline and punishment must come swiftly, consistently, and forcefully! Such action provides society with boundaries which produce safety and security for the whole of our people!

This is not rocket science, but then again, we’ve lost our moral and spiritual bearings! We believing ourselves wise have become a nation of fools! “Claiming to be wise, they became utter fools instead.” (Romans 1:22 NLT)

“LORD God, restore common sense to our land! O, and yes, Lord, please begin with me.”
