Isaiah 9:8

“Of the increase of His government and peace there shall be no end, upon the throne of David, and upon His kingdom, to order it, and to establish it with justice and with righteousness from hence forth even forever. The zeal of the LORD of Hosts will perform this.” Isaiah 9:8

Men see and comprehend, O so, finitely! This inability to see beyond ourselves is a cause of great trouble. If I have little and another person has more, the only solution is obvious, isn't it? I must take what he has so I can have more! In our current social and political jargon this is called “class envy.” The only way for me to get ahead is if I take away something from those who have more than I do!

To the fearful, envious and carnal mind this makes sense. To the mind renewed by the Word of God it is foolishness. Liberalism (socialism, communism) demand we strip the rich of his goods and disperse them to the masses. Capitalism holds that supply and demand dictate the value and cost of goods – even necessary goods. There is a higher way.

Supply is always adequate when we hook-up to the Provision Himself! “My God shall supply all my need according to His riches in glory in Christ Jesus.” (Philippians 4:19). Our experience and our education have instilled within us the false understanding that supply is always limited. “But God...” When God is on the scene, the increase of His Kingdom is unlimited. It will literally increase and expand forever! And therefore, if we are in union with Him His vast supply and Kingdom of Increase is also available to us to meet our every need – in the now!

Our access to such an ever increasing Kingdom is our faith via our relationship with Jesus Christ. “If you abide in Me, and My Word abides in you [faith comes by hearing and hearing by the Word of God] you shall ask what you will, and it shall be done unto you.” (1 John 15:7; Romans 10:17).

If you are currently experiencing lack, yet you are increasing along with God and His Kingdom, keep your faith vital and your needs will be met for your supply must come because the Kingdom is ever expanding in your direction – even now!
