

“Again the Word of the LORD came unto me, saying, “Thus says the LORD, the God of Israel, “Like these good figs, so will I acknowledge them that are carried away captive of Judah, whom I have sent out of this place into the land of the Chaldeans for their good.”  
Jeremiah 24:4 – 5

Few people would believe that something bad could produce anything good! Could it be that a defeat in war followed by being lead away captive to a foreign country and forced to learn a foreign tongue could produce good?!

Maybe today you are facing something that challenges you to wonder how this situation could ever be used for your good!? Faith is rarely seen when all is well. Faith during the extreme times – trusting the Lord when every evidence in the natural assumes otherwise, is genuine Bible faith! “Faith is the evidence of things not seen.”

Faith holds to the unseen until the seen changes!

Faith relies on the promises of God’s Word and throws itself upon His faithfulness in spite of how the emotions feel or the circumstances rage! God is not the author of sin, or sickness, or poverty or war! But He is LORD! And even when the devil rages against you your Father has everything under control. To the trusting individual, the LORD is well able to guide you through the minefields of war as well as the horrors of disease and the ravages of trouble. He is well able to bring you out into His largeness and abundance of living.

“Father, today I utter my confidence in Your love for me. Trust that says, “You will do the right thing on my behalf – always!” “Every detail works to my advantage and to your glory!” Amen.” (2 Corinthians 4:15 – The Message; 1 Corinthians 13:8)
