

“When I consider Thy heavens, the work of Thy fingers, the moon and the stars, which You have ordained, “What is man, that Thou art mindful of him? And the sons of man, what Thou visit him?” Psalm 8:3-4

The vastness of our universe is incomprehensible to the human mind. Yes, we can speak of exponential numbers and the vast distances and the sizes they represent, but to wrap our mind around such things is a rare if not impossible occurrence.

Scientists tell us we are living on an insignificant planet, traveling around an insignificant star, in an insignificant part of an insignificant galaxy. Their implication is that we (the human race) are insignificant! And yet, in the middle of all this insignificance – so called, dwells a race of creatures that the Creator of all – the same Creator who measures the universe with the span of His hand – has set His mind and thoughts upon! And it is to this insignificant place the Creator made a personal visit!

“In the beginning was the Word, and the Word was with God, and the Word was God... All things were made by Him, and without Him was not anything made that was made... And the Word was made flesh, and dwelt among us...” (John 1:1,3, 14)

Of what high value then must we be to the Lord?! No matter your present state – whether troubled or blessed, at peace or in conflict – take courage in knowing the Lord is mindful of you today!

You are not insignificant.

Your role in this life has both meaning and value – if only to One! Selah (Think on that!)
