

“The law of the LORD is perfect, converting the soul: the testimony of the LORD is sure, making wise the simple. The statutes of the LORD are right, rejoicing the heart: the commandment of the LORD is pure, enlightening the eyes. The fear of the LORD is clean, enduring forever: the judgments of the LORD are true and righteous altogether.”
Psalm 19:7 – 9

As the heavens resonate within the human heart that there is a Creator, so the Word of God reveals to us His character, His ways, and even His name! The Lord gave us His Word that we might not merely have a general revelation of God, but that we might have a specific revelation of Him. And it is in this living Word – once engrafted into our hearts and lives, that it begin its transforming effects on how we think and live – affecting not only our personal lives but our cultures and societies as well! (James 1:21)

The Word of God converts our souls. Once alien to God’s way, it is the Word that allows our soul to begin the process of aligning itself with God’s ways. Once received, the Word of God makes wise men from those who were once simpleminded. Once received, the Word of God liberates the human heart from the burdens of sin and error, to the end that the heart can sing once again! The Word of God opens the eyes of human understanding to the things of God – our perspective, our paradigm shifts. The Word of God brings us face to face with the Creator and we see clearly our sin in light of His righteousness and in holy fear we are then graced to see His mercy! Yes, the Word of God is altogether true and altogether righteous!

“Lord, today I recommit myself to live by Your Word! I shall not live by food alone, nor will I live by the opinions of men, but I will live by every Word of God!”
