Psalm 114:7 – 8

“Tremble... at the presence of the LORD... Who turned the rock into a pool of water, the flint into a fountain of waters.” Psalm 114:7 – 8

Once, twice, while in the wilderness the Jewish people experienced an amazing miracle. At the Lord’s command, a Rock issues forth a river of waters! Enough water to provide for thousands and even millions of people – and all their folks and herds!

Today’s believer is in line to experience the very same miracle, albeit in a spiritual and personal sense. (But let’s not rule out such a miracle in the natural if necessary.) As sin and unbelief harden the heart of man (Hebrews 3:13-15), so the preaching of God’s word begins the process of breaking up the hardness of heart. (Jeremiah 23:29). Amazingly then, the same heart that was resistant and hardened to the things of God becomes a fountain where the Rivers of God’s life and power may issue forth!

“...Jesus stood and cried out saying, “If any man thirsts, let him come to Me, and drink. He that believes on Me, as the Scripture has said, out of his heart shall flow rives of living water.” (But this He spoke of the Spirit, Whom they that believed on Him should receive...” (John 7:37 – 39).

This overflow of the Spirit, after satisfying the individual heart, is designed to outflow to those who are needy and longing for a touch from heaven. The Kingdom of God knows no selfish end. Personal blessing is always intended to bless others. “I will bless them that bless you... and in you shall all the families of the earth be blessed!” (Genesis 12:3).

“Son, open the flood gates of your heart and begin watering the thirsty ones God brings into your life.”
