

“For then will I restore to the people a pure language that they may all call upon the name of the LORD, to serve Him with one consent.” Zephaniah 3:9

Until Babel the whole earth spoke a singular language. Such unity of communication both in thought and speech releases tremendous power and potential. “Indeed the people are one and they all have one language... now nothing that they propose to do will be withheld from them.” (Genesis 11:6). “But the people’s intent and heart was evil and the LORD divided their language.” (Genesis 11:7 – 9).

In the earth today there is a holy generation, a royal priesthood who are beginning to speak the same language once again. It is the Church, who obedient to her Master and having received not only His salvation by God’s grace, but have also been baptized in the mighty Holy Spirit! It is this people spread throughout the earth, hailing from every tribe and nation, yet speaking one language that once again are in position to do the impossible. “When the day of Pentecost had fully come, they were all with one accord in one place. And suddenly... they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance!” (Acts 2:1 – 4).

Every believer, of necessity, has in the indwelling Holy Spirit. But Jesus has more for us. Every Gospel writer tells us that there is available for us the supernatural empowering from on High and that its evidence is this pure language.

It is a free gift... won’t you ask Jesus for this most wondrous of Gifts?

If you have already experienced this mighty baptism in the Holy Spirit, won’t you take a few moments now to “stir up the gift of God”?
