

“But the LORD your God will cross over ahead of you like a devouring fire to destroy them. He will subdue them so that you will quickly conquer them and drive them out, just as the LORD has promised.” Deuteronomy 9:3

Here on the Great Plains of the United States, before agriculture had so divided the land, the plains were literally a sea of grasses. Once these vast expanses of grass became dry, should lightning ignite them, the flames aggravated by the wind, would easily out run men, and even deer or horses!

A faulty mindset that the people of God hold is that trials, difficulties and problems must persist and linger on and on. But this is not the plan of God. If we will wholeheartedly set ourselves to obey Him and follow Him, He desires to overwhelm our enemies (vis-à-vis – sickness, poverty), like a brush or prairie fire races across the land!

When the LORD acts the answer is swift. Many times before the Lord can act, He first must adjust or change our thinking and our attitudes. Once we are in position to hear and obey fully, we can expect a speedy answer!

Why not determine to obey the voice of the Spirit promptly, and watch as He then, “goes over before you as a consuming fire.”
