Exodus 15:20

“And Miriam the prophetess, the sister of Aaron, took a timbrel in her hand; and all the women went out after her with timbrels and with dances.” Exodus 15:20

Radical praise! Radical praise issues from a people who have experienced a radical deliverance!

It was four hundred and thirty years in coming, but when it came, the deliverance of the LORD was complete in every way. One day slaves... the next day a free and independent people! One moment sick and weak, the next moment, “there was not one feeble one among them.” One moment, “dirt poor”, the next moment rich with the wealth of Egypt! (Psalm 105:37). One moment pursued by their enemies, the next moment those same enemies swept away by the flood of God’s wrath. Yes, a radical deliverance produced a radical praise!

It makes no sense and there are few who ever genuinely see what transpired at Calvary, but on that day a deliverance was wrought that has redeemed Adam’s race completely and wholly back to the Father! “He is the atoning sacrifice for our sins, and not only for ours but also for the sins of the whole world.” (1 John 2:2 NIV). Jesus Christ in one moment made an exchange that took our shame and gave us His glory – that bore our sickness and gave us His life – that received our rejection in order for us to experience His acceptance – this is a radical deliverance that deserves our radical praises – a praise that is unashamed to be seen of men! It was a radical deliverance that He alone could offer – but radical praise is that which we alone can declare!
