Ezra 6:1-12

“Then Darius, the King, made a decree... “let the expenses *for the re-building the Temple* be given *to them* out of the King’s house... that of the King’s goods, even of the tribute beyond the river, *let it* speedily be given to those men that they be not hindered... let it be given to them day by day without fail.” Ezra 6:1-12

“Where God guides, God provides.” Those projects or endeavors that the Lord commands will always be paid for out of His unlimited supply. To begin a project without His express word may mean that the payment will need to come from your account! Better to wait upon the Lord’s mind than embark only with your own good ideas! What?

When we embark upon Kingdom direction we can be assured that the Spirit will tap the unlimited resources necessary to accomplish all of the work. “But my God shall supply all your need according to His riches in glory by Christ Jesus.” (Philippians 4:19). How varied are His means of tapping the resources necessary? Let’s see? From the mouth of a fish or the multiplied bread of a little boy’s lunch to a widow’s jar of meal and cruse of oil, to the entire storehouse of a pagan king!

Never place your expectations upon men or a specific method of resources or even past experiences. Look to the hand of the Father alone and He will supply all that is necessary and that in great abundance! “And God is able to make all grace abound toward you, that you., always having all sufficiency in all things, may abound to every good work.” (2 Corinthians 9:8)

God’s got you covered!
