

“The keeper of the prison looked not to anything that was under his (Joseph’s) hand; because the LORD was with him, and that which he did, the LORD made him to prosper.” (Genesis 39:23)

“Confidence in an unfaithful man in time of trouble is like a broken tooth, and a foot out of joint.” (Proverb 25:19)

As Joseph had won a place of trust in the Egyptians home, so he had also earned a place of complete trust and confidence with the keeper of the prison. This type of confidence comes by hard and diligent work, faithful execution of duties, ...and the favor of God!

Take a moment and examine your current situation whether at home or school, work or church. Can those around you place their trust in you fully? Can they leave without fear, knowing that their trust has been left in capable and faithful hands? “Look not every man on his own things, but every man also on the things of others.” (Philippians 2:4)

This “just get by” attitude must be driven from the ranks of those who name the Name of Christ! The world is looking for a people who can be trusted with their best interest. If the people in the world can’t trust us in natural things, how will they ever trust us, or trust what we say, concerning eternal things?
